How to travel Iran?

Traveling to Iran is very easy since the country is very safe and hassle-free for both male and female travelers. How to travel to Iran is done by getting a Visa on arrival by most nationalities, and when you get to the airport, you need to get a transfer to your hotel.

Is it safe to travel to Iran right now?

Yes, regardless of what you watch on the news and ask yourself if it is safe to travel to Iran right now, the quick answer is yes. Iran is one of the safest countries globally, very family-oriented, and Iranian people are among the most welcoming people on earth.

How to travel to Iran from USA?

American passport holders can travel to Iran easily and without any issues if buying one of our Iran tour packages that include the Iranian visa application and reference number and the mandatory Iranian travel insurance. This process for American passports (also Canada, the United Kingdom) takes about 3 months, while for other nationalities usually takes about 5 to 10 days.

Who can travel to Iran?

Everyone can travel to Iran. Iran is a touristy country that receives millions of foreigners every year. The question here is not really who can travel to Iran, but rather how can you travel to Iran. Most citizens can get a visa upon arrival at any Iranian international airport.

Can I travel to Iran for 1 days?

Yes, traveling in Iran for 11 days is already enough to have a quick glimpse of the country's culture, and visit the top places and monuments the country has to offer such as Persepolis, Shiraz, Isfahan, and Kashan for example.
